We will move from our current location at 3705 NW 63rd Ste. 100 Oklahoma City, OK 73116 to **Royal Ave Patient Service Center** located at **4229 Royal Ave. Ste. 100 Oklahoma City, OK 73108** on August 1. Our new facility will be open for normal operations including patient phlebotomy on August 1, 2016 at 8:00 a.m. We are excited about this move and the continued service to the city of Oklahoma City and the surrounding counties. Patient care is number one for us so we will continue to push to make the patient experience top notch.

We are working to minimize any disruption in services during this transition; however we are anticipating a short transition in phone service on Friday, July 29. You can always reach us on our corporate numbers at 918-744-2500 or 1-800-722-8077.
