---

Regional Medical Laboratory (RML) is pleased to announce the addition of 1,25 Dihydroxy Vitamin D test to our in-house testing menu. Our new platform uses the same technology as the reference laboratory; therefore, there will be no changes in specimen type, reference ranges, CPT code or billing.

Please be aware of the updated LOINC code listed below:

- LOINC code is changing from 1649-3 to 62290-2

In-house testing will begin on April 24, 2017.

A livewire has been sent to all interfaced clients as an aid for building tests in client computer systems.

If you have any questions or concerns, contact Dr. Gerald Miller 918-744-2553 or Patti Loykasek 918-744-3117.
