

MEMORANDUM

To: All Regional Medical Laboratory, Inc. (RML) Clients

From: Regional Medical Laboratory, Inc.
Patti Loykasek, HTL, QICH (ASCP), Manager of Immunology
Gerald C. Miller, Ph.D., Chief of Immunology and Microbiology

Date: August 27, 2018

Subject: Temporary Test Discontinuation Notice

We have been informed by our reagent manufacturer that the Ampicillin IgE reagent is on an indefinite backorder status, with no release date specified. Our reference labs are also unable to perform this testing during this time. Here is the affected test order information:

Order Code	Order Name	Result Code	Result Name
5584775	Ampicillin Allergen		
		5584415	Ampicillin CL
		5584675	Ampicillin CT
		5606925	Allergen Interp
Order Code	Order Name	Result Code	Result Name
5584380	Penicillin Allergy Panel		
		5570300	Amox CL
		5570275	Amox CT
		5584415	Ampicillin CL
		5584675	Ampicillin CT
		5510570	Penicillin G CL
		5510565	Penicillin G CT
		5510585	Penicillin V CL
		5510580	Penicillin V CT
		5606925	Allergen Interp

Any pending orders will be cancelled and testing will be credited. This will also affect any orders that are part of an allergen panel.

Another memo will be sent out when testing is resumed.

Please contact Patti Loykasek or Dr. Gerald Miller at 918-744-2553 with questions regarding this notice.
