Re: Semen Analysis Testing Location Change
Date: October 21, 2019

Regional Medical Laboratory is committed to medical excellence and compassionate care. In order to provide our clients with the most current procedural World Health Organization(WHO) guidelines for Semen Analysis, effective December 1, 2019 Semen analysis testing will be moved from the current location at Bernsen Medical Plaza to the Regional Medical Laboratory located in Siegfried Tower at 1923 S. Utica Ave. located on the 5th floor.

TEST NAME	TEST MNEUMONIC	TEST NUMBER	CPT CODE
Semen Analysis Complete	Semen Anly	2901101	89320
Semen Analysis Post Vasectomy	Sperm P/OP	2929026	89021

Days and hours of testing will be Monday-Friday 0800 to 1300. An appointment will now be required to drop off a specimen by calling 918-744-2500 ext.15508. Appointments should be made at least 72hours before specimen collection to allow adequate scheduling. Collection instructions and containers may still be picked up at any of our Patient Service Centers. Specimens may not be collected at 1923 S. Utica.
For questions please feel free to call Vivian Rogers at 918-361-0422 or Dr. Brent Hartsell at 918-744-2553.
